

ZAPP-Circular no. 53

Content

1. Deactivation of ZAPP@Status 1st of April 2025

With the ZAPP Circular no. 53 we would like to inform you about the approaching deactivation of ZAPP@Status.

1. Deactivation of ZAPP@Status 1st of April 2025

As already announced, the application ZAPP@Status will be deactivated soon.

If you still need an access to the EMP-Status-Information that replaces ZAPP@Status, please register your company now for the usage.

We need the following information from the DAKOSY contact person of your company:

- Participant code to be activated
- First name, surname and business mail address of the person in your company who shall be in charge for the user maintenance in the EMP application

Please send this information with the subject „Registration EMP Status Information“ to servicedesk@dakosy.de.
